

## ***Links to iCONN Databases for High School Libraries***

**Important Note: Copy and paste the URLs EXACTLY as provided - do NOT copy from your browser once the resource has opened!  
The URLs change and won't work properly in the future.**

Libraries have three options: (1) linking to individual databases, (2) linking to iCONN.org, and (3) linking to iCONN Classic (Resources for Schools), an annotated list of all resources. **Note:** These options are not mutually exclusive: use as many of these options as you like on your webpages.

<b>1. Link to Individual Databases</b>	Using these links, the patron is IP authenticated (in library) or barcode authenticated (out of library). Patrons must be re-authenticated each time a new resource is selected. reQuest, the Statewide Catalog, is not on this list but you can maintain a separate link to reQuest only*. Downloadable Audio Books requires a valid Connecticut public library card number to place holds and check out books for download.

### **\* Link to reQuest Only**

You may also create a direct link to only reQuest – the Statewide Library Catalog; no authentication is required:

Libraries participating in reQuest – use <http://www.iconn.org/default.asp?lid=xxxx&mode=g> (xxxx is your library's reQuest code)

Libraries not participating in reQuest – use <http://www.iconn.org/default.asp?lid=rqst&mode=g>
