The URLs change and won't work properly in the future.**

Libraries have three options: (1) linking to individual databases, (2) linking to iCONN.org, and (3) linking to iCONN Classic (Resources for Schools), an annotated list of all resources. **Note:** These options are not mutually exclusive: use as many of these options as you like on your webpages.

1. Link to Individual Databases	Using these links, the patron is IP authenticated (in library) or barcode authenticated (out of library). Patrons must be re-authenticated each time a new resource is selected. reQuest, the Statewide Catalog, is not on this list but you can maintain a separate link to reQuest only*. Downloadable Audio Books requires a valid Connecticut public library card number to place holds and check out books for download.
