

Links to iCONN Databases for Public Libraries

**Important Note: Copy and paste the URLs EXACTLY as provided - do NOT copy from your browser once the resource has opened!
The URLs change and won't work properly in the future.**

Libraries have three options: (1) linking to individual databases, (2) linking to iCONN.org, and (3) linking to iCONN Classic (Resources for the Public), an annotated list of all resources. **Note:** These options are not mutually exclusive: use as many of these options as you like on your webpages.

1. Link to Individual Resources	Using these links, the patron is IP authenticated (in library) or barcode authenticated (out of library). Patrons must be re-authenticated each time a new resource is selected. reQuest, the Statewide Catalog, is not on this list but you can maintain a separate link to reQuest only*. Downloadable Audio Books requires a valid Connecticut public library card number to place holds and check out books for download.

Links to iCONN Databases for Public Libraries

**Important Note: Copy and paste the URLs EXACTLY as provided - do NOT copy from your browser once the resource has opened!
The URLs change and won't work properly in the future.**

2. Link to iCONN	http://www.iconn.org opens the federated search portal. The patron is IP authenticated (in library) or barcode authenticated (out of library). Once authenticated, a patron may search many databases at once or any resource individually. New resources can be selected without re-authentication.
3. Link to iCONN Classic	http://rgst-agent.auto-graphics.com/homepages/customerwide/classicpublic.asp? opens the Resources for the Public page. The patron is IP authenticated (in library) or barcode authenticated (out of library). Once authenticated, a patron can select any resource from the menu. New resources can be selected without re-authentication. reQuest is not on this list, but you can maintain a separate link to reQuest only*.

*** Link to reQuest Only**

You may also create a direct link to only reQuest – the Statewide Library Catalog; no authentication is required:

Libraries participating in reQuest – use <http://www.iconn.org/default.asp?lid=xxxx&mode=g> (xxxx is your library's reQuest code)

Libraries not participating in reQuest – use <http://www.iconn.org/default.asp?lid=rqst&mode=g>
